

Pledge

The Louisiana Clean Marina Program promotes and celebrates voluntary adoption of measures to reduce pollution from marinas and recreational boats. Designated "clean marinas" are recognized as environmentally responsible businesses.

As the first step toward achieving Clean Marina status and on behalf of

(name of marina or boatyard)

I pledge to do my part to maintain an environmentally responsible business.

I will identify opportunities and implement practices to control pollution associated with:

- Vessel maintenance and repair
- Petroleum storage and transfer
- Sewage disposal
- Solid, liquid and hazardous wastes
- Stormwater runoff
- Facilities management

I commit to actively pursue full standing as a Louisiana Clean Marina. Within one year of the date below, I will implement appropriate pollution practices and will apply to the Louisiana Clean Marina Program for recognition as a Louisiana Clean Marina.
